Design Basics, LLC, and its predecessor (Design Basics, Inc.) will hereinafter be referred to as “Design Basics.”

2. Design Basics is engaged in the business of creating, marketing, publishing and licensing the use of “architectural works” (as that term is defined in the Copyright Act and the Architectural Works Copyright Protection Act of 1990, both codified at 17 U.S.C. § 101 et seq.) and technical drawings depicting such architectural works.
